

2014-2015 AP Course Interest Form

Student Name: _____ Current Grade: _____

I'm interested in the following AP Course: _____

(Please use 1 form for each AP course you're interested in – not needed for AP Prep Chinese)

*After filling out the top of the form, you must have the following filled out **IN ORDER** and returned to the Guidance Counselor as soon as possible. Because AP courses are taught with an increased level of difficulty and amount of work from other high school courses, the following items are required before a student will be considered for AP course eligibility.*

No student will be allowed to take an AP course without completing this form (completion of this form does not secure enrollment in an AP course).

2014-2015 KIA AP courses: AP Chemistry, AP English Language & Composition, AP Calculus AB, AP World History
 AP Chinese Language & Culture does NOT require an AP Interest Form.
 All other AP courses will be done online for the 2014-2015 school year.
